Photo

The Birmingham's Favourite Birds Poll is a fun celebration of the rich variety of bird life that can be found in the city's gardens, parks, nature reserves and other open spaces.

Some birds visit during the Winter for food and shelter. Others fly long distances to nest in Birmingham during the Spring and Summer. Many species live here all year round.

No matter what the time of year, there will always be an opportunity to see an unusual bird, whether that be outside your window, during a shopping trip to your local high street, or whilst enjoying a walk through your local park or other open space.

We are all connected to the rest of nature and rely on the wonderful web of life around us for our health and wellbeing. Whilst having fun taking part in this bird poll, it is therefore important for us all to remember just how precious the city's nature and open spaces are. We need to appreciate them, and look after them.

To vote in the poll:

- **You must, live or work in one of the following Birmingham constituencies: Edgbaston, Erdington, Hall Green, Hodge Hill, Ladywood, Northfield, Perry Barry, Selly Oak, Sutton Coldfield or Yardley.**
- **Use the following guide to help you choose your favourite bird.**
- **Visit: <https://bit.ly/2S77CTU> or scan the QR code to cast your vote.**
- **Only one vote is allowed per email address.**
- **Voting closes on 31st December 2020.**
- **Birmingham's Favourite Birds will be announced at Art4Nature community events – Autumn 2021**
